### Confirmation of Acceptance for Studies (CAS) process

1. You must now pay your deposit or fees, or provide evidence of sponsorship to secure your place on the course and to commence the CAS process. Information on fees, charges and payments can be found at: [tees.ac.uk/international/payment](http://tees.ac.uk/international/payment)
2. When your deposit or evidence of sponsorship has been received, you will be sent a confirmation of offer details letter to confirm all details are correct. We cannot begin the CAS process until you have done this.
3. In preparation for the CAS process, make sure you have **Bank Statements**, showing sufficient funds to cover your outstanding course fees and your monthly living costs for up to nine months. Send these to [international.compliance@tees.ac.uk](mailto:international.compliance@tees.ac.uk) on **23 June 2020** or as soon as possible after that date. Please do not send documents before this date, as we cannot issue a CAS more than three months before the start of your course.

If the funds are in your parents' account, you will also need to email us a copy of your **birth certificate** and a **parental consent letter**. The funds must be in a personal bank account and must be there for at least 28 days.

5. **UKVI checks:** If you have been sent an email asking you to complete a consent form in order for us to contact UKVI to check your previous UK immigration history, please return your signed consent form to us as soon as possible.

Information and guidance on the University's process for assigning a CAS can be found at:
